Script:

“I am calling to express my support for the Village of Dupou Illinois 2024 MPDG Grant Application under the MEGA and INFRA programs. I wanted to emphasize that this project fulfills the selection criteria and promotes the initiatives set forth in the MPDG Notice of Funding Opportunity. I strongly believe that this project is well planned, and that the Village is ready to take the next step in developing the Interchange in furtherance of the enumerated economic prospects of Dupou, Illinois. Last, I want to thank you for your time and attention to the Village’s MPDG Grant Applications.”
